

STAGE PLAN

THE LIZBERRIES

the tribute band of
the cranberries

FRONT STAGE

INSTRUMENTS:

VOX: 1x Line6 XD-V75 radio microphone , 2x AKG D5

GUITAR 1: Blackstar HT dual preamp + Boss GT8 multifx

GUITAR 2: Blackstar HT dual preamp + Digitech multifx

BASS: zoom MS-60b

IEM: 3x dB Technologies IEM 600

DRUMSET: kick, two rack tom, floor tom, snare, hihat, 2 crash, 1 ride, 1 splash, cow bell

REQUESTS:

Audio

- Current 220V near guitars' amplifier, bass amplifier, RM and drum;
- 1 DI near the bass
- 1 DI near the singer
- 1 DI near the guitarist

Important:

We play with the support of some backing tracks and videos played by a laptop and a Behringer Xr18 digital mixer. The Behringer Xr18 has 8 balanced outputs, so we are able to manage autonomously all the IEMs to the band and provide up to 4 buses to the FOH (with vocals and backing tracks, for instance).
